About Us

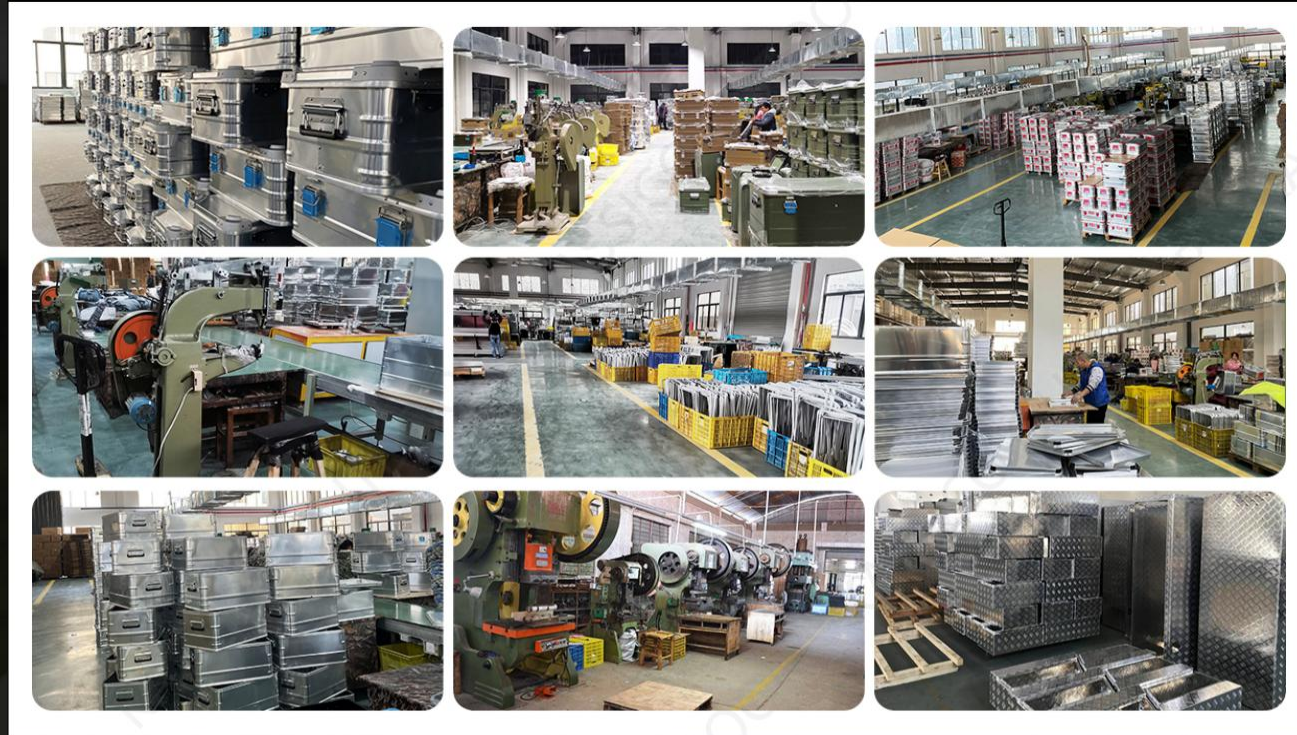

KASSICO, a leading sheet metal fabrication factory in Ningbo, China since 2001, specializing in metal camping products with complete production in mold design, laser cutting, stamping, bending, powder coating and assembly. We provide a wide range of aluminum boxes, aluminum tables & chairs, and other metal camping products for customers all over the world. Since 2015, we expanded our capabilities by adding a sewing factory for outdoor tent, also, we expanded trade business to other camping gear and outdoor equipment. KASSICO is committed to providing one-stop OEM & ODM services, With multiple sets of outdoor product solutions, we provide customers with hundreds of innovative and affordable outdoor products.

The metal products company has a plant area of 15,000 square meters, We have our own technology, management, processing team and QC team, with many years of work experience and advanced technology. We provide full OEM and ODM customization services, including design, size, color, logo, accessories, and other customizations. We provide competitive products, excellent quality, and service. We adhere to the principle of customer first, and strive to achieve customer success, and ultimately achieve win-win cooperation. We warmly welcome all customers from at home and abroad to cooperate with us.
